

The  
'Remembrance'  
Endowment Program

*Do you want to insure that your  
loved one's graves are  
remembered after you're gone?*

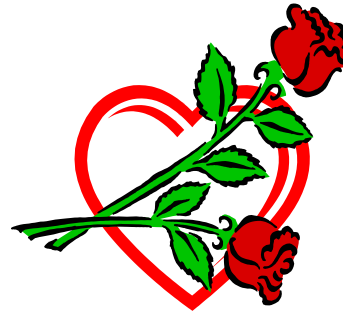

*Would you like the convenience of  
an on-going decorating program  
without having to order flowers  
and wreaths each year?*

*Are you out of the area and  
looking for a way to maintain a  
continuing schedule for floral  
remembrances?*

*Consider the 'Remembrance'  
Endowment investment program ...*

## The 'Remembrance' Endowment Program ...

Your Decoration Schedule can also be arranged by calling our office.

Your 'Remembrance' Endowment Fund can be set up at any time, by depositing an investment sum with **Warren County Memorial Park** and completing the attached Floral Schedule Request. These written instructions will remain on file to be executed each year on behalf of your loved one.

Your 'Remembrance'

Endowment Program can include any of the following services:

- Fresh floral bouquets & placement
- Silk floral bouquets & placement
- Memorial Remembrance Candles
- Winter Wreaths
- Annual Memorial Maintenance
- Periodic Memorial Restoration

Your 'Remembrance' Endowment Fund can also be arranged in advance for investments to be received upon settlement of an estate or insurance. (In this case, the investment amount should be specified in your will or insurance policy.)

### Investment Information

Most investment accounts start with a minimum of \$1,000 which is placed into a investment fund. Investments of less than \$1,000 are deposited into a money market fund. (The minimum investment is \$100. You can add to your investment at any time.)

Assuming a 5% return, each \$1,000 will generate \$50 per year in interest. At a 3% return, the interest will be \$30 per year. The goal is to generate sufficient interest to facilitate your Decoration Schedule without having to invade the principal.
